REC & LEISURE ENDOWMENT FUND

UNITI wants to extend a massive thank you to everyone who donated to 'Rec & Leisure' during the 12 Days of UNITI! With the generous funds raised, we are able to keep providing quality services.

The R&L Services offer a wide range of recreational programs adapted to the unique needs and abilities of youths and adults with disabilities, so they can access the same activities as other members of the community. These services receive no government funding, operating solely on grants, donations and fundraisers; and because of you we're able to continue the fun!

"The donations that Recreation and Leisure services received from the 12 Days of UNITI campaign have given us the opportunity to provide weekend events, trips and weekly services for the people we support. With these funds, people are able to attend events and activities within their community, while also getting the chance stay connected with their friends during the weekends and at evening times. Typically, these times of the day and week are outside of traditionally funded service hours. These funds help people get the experiences and opportunities they want and need!"

- Mat Cruickshank,
Rec & Leisure Program Coordinator

UNITI WISE EMPLOYMENT SERVICES

UNITI greatly appreciates everyone who donated to the 'UNITI WISE Employment Services'! Our End's recommendations speak volumes about having meaningful employment, increased purchasing power, choice and control. People WISE supports benefit from education, confidence and preparedness to enter the work force.

"Community Inclusion is incomplete without Economic Inclusion, Employment is the lifeline to Economic Inclusion. For many people, WISE opens this door to meaningful employment both for people we support and local employers."

- Seema Tripathi, Director of Employment & Innovation

FINANCIAL LITERACY TRAINING

Your contributions are making a real difference in people's lives! The funds raised contributed to making Financial Literacy Workshops a reality. UNITI Employment Services developed and piloted 8 financial literacy workshops in partnership with

RBC, providing people with highly valuable life skills. UNITI is aiming to provide education and information regarding financial literacy so people we support are aware and can effectively manage their finances. We are collaborating to create a financial literacy curriculum in an adapted and accessible format for people's identified needs.

LEADERSHIP OPPORTUNITIES

UNITI extends its heartfelt thanks to all our generous donors! With support and contributions, the Self Advocates of Semiahmoo (SAS) were able to take on several new projects, creating opportunities to collaborate with the community, strengthening their impact.

This year a number of self advocates were recognized for their community leadership, and chosen to take on impactful advocacy roles. Your impact includes opportunities to take part in:

- Community Leaders Igniting Change
- Self Advocate Leadership Institute
- The Vancouver Inclusion Festival

"I want to learn and I've made new friends through SAS. I feel like I belong here. I life being apart of all the events, especially the clothing sale. "

- Stacey Kohler, SAS Self Advocate

"Through SAS we have seen so many people build confidence and discovery their interests, expanding their capacity to take on new and exciting community leadership roles. I am consistently impressed by the Self Advocates I support."

- Sarah Clemas, SAS Program Coordinator

LIFTS FOR UNITI GROUP HOMES

We at UNITI are honored to have such caring and compassionate supporters. Comfort, dignity and person centered care are deeply impactful in the lives of people UNITI supports. Inclusive Housing aims to deliver the highest quality of support for the people who live in homes supported by UNITI. Assistive devices play a crucial role in improving the daily lives of people we support.

People who live in staffed homes thrive because they know and feel they are living in their homes. The impact of the wraparound support that staffed living provides enhances the quality of life of the people, as the teams are not only focused on people being healthy and safe but, more so, on their happiness. The staff teams deliver a delicate and mindful dance between the "important to" and "important for" the person.

- Jasper Macabulous,
Director of Community Living

COMMERCIAL DISHWASHER

UNITI is truly grateful for your partnership in our mission! By reducing time spent on manual dishwashing, people can focus more on cooking and enjoyment. It also improves safety by reducing the risk of kitchen accidents, so people can focus on cooking skills in a safe and fun space.

GENERAL FUND

Thank you for helping us build a brighter future! Contributions to UNITI's General Fund hold immense significance for UNITI and the people we support through numerous services. Donations directly influence the quality of individual experience and the support people receive, ensuring the best quality of life for people we support and opening doors to new opportunities.

The financial support sustains the organization's ability to meet its Ends, the flexibility that comes with the ability to allocate funds where they are most needed directly benefits people who use services.

"Giving to UNITI's General Fund makes a real difference in people's lives Thank you for being such an important part of the UNITI community."

- Jillian Glennie,
Director of Development

MENTAL HEALTH

Your support means the world to the people we serve! The UNITI Guidance Counseling under Mental Health and Wellness Services were implemented during the pandemic to ensure the emotional wellness of people we support, and served to carry us through hard times.

"Wellbeing is deeply important to us, and resources for mental health are a top priority at UNITI for staff, caregivers and people we support"

- Stephanie Green, Director of Human Resources

Thank You!

from everyone at UNITI

VEHICLES

Your generosity will have a lasting impact! Vehicles enable us to enhance our services, so people can get out in the community. We need accessible vehicles to accommodate more people we support.

"We have very active groups that take people to discover new places, explore community and expand their world."

- Cheryl Galito, Program Coordinator

THANK YOU

UNITI wants extend our sincerest gratitude to everyone who generously donated to UNITI's 12 Days of Giving campaign. Your donation makes a tangible difference in the lives of people UNITI supports. Your generosity will help us continue to provide essential services, empower people, and build a more inclusive future for all. We're deeply aware that it is the people we support and our community that make UNITI's mission possible. Your support has been invaluable in ensuring our continued success.

Thank you for being a part of our mission.

Contact Jillian Glennie, Director of Development to learn more about where your donations go: 604-209-7979 or j.glennie@uniti4all.com

"UNITI is more than just an organization; it's a community. It's a place where people feel valued, supported, and know they matter."

UNITI is the partnership of three affiliated societies that have been around for over 60 years in White Rock and Surrey communities. UNITI provides quality services and supports to people with disabilities and their families; affordable and inclusive housing that reflects the diversity of our community; and ensures that we have the recognition, relationships and resources to support an inclusive community.
